

What to Expect on your Child's Party Day at All Fired Up

THANK YOU FOR CHOOSING ALL FIRED UP AS YOUR PARTY VENUE!

1. Please arrive no more than 10 minutes before your scheduled party time. All you need to bring is cake and the kids, we do the rest!
2. Your party shall begin when all of your guests have arrived or no later than 10 minutes after your scheduled party time, whichever comes first.
3. We will guide the kids to the pre-selected items for them to choose, and assist your guests with color and brush selection as well as provide a brief tutorial as to how to wipe down and apply color to achieve the best possible results after firing.
4. Your party will end after the 1 ½ hour time frame. The first half of the party is for painting and the second half is your time to do with what you choose (presents, cake, etc.). We often have another party coming in and appreciate your consideration so we can clean up and prepare for our next guests. Please keep this in mind when scheduling pickups.
5. If you have any special requests or needs, please let us know in advance. We will do everything we can to accommodate.
6. Upon completion, please check out at the register. Payment is expected at this time. At checkout you will be advised of your pick up date. We do not call when it is ready. You will have the option to either be responsible for picking everyone's up or if you prefer individual parents pick up their child's piece. Just let us know how you would like to handle it.
